Matrix No. 2.5.1: Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient

External Assessment:

The University level examinations are conducted in the college. A senior member of the faculty acts as Superintendent and all other teachers are appointed as Assistant Superintendents. The examination centers are checked periodically by the flying squads from the university to maintain the sanctity and impartiality of the examination.

The Answer sheets of the students are sent to the University which assigns them fictitious Roll Nos and sends them to different colleges for assessment. The assessors are not aware of the identity of the students whose answer books are being evaluated by them. Once the result is published by the university, a time period of 15 days is given to the university to students for applying of Re-evaluation. The re-evaluation of the answer script is done by a different examiner. If there is a difference of more than 20% marks awarded by the two evaluators, the answer script is sent to the third examiner. In this way, the transparency of the assessment is ensured in the Semester-level examinations and the grievances are resolved in a time bound and efficient manner.

Internal Assessment

The college strictly follows the university rules & procedures for internal assessment. Although the schedule of class tests and submission of assignments, for internal assessment, is fixed before one month of completion of each semester, the students are given their topics of these class tests as well as assignments well in advance.

Further, the following internal assessment criteria as given by the affiliated university is followed in the college. As per University criterion, an internal assessment of 20 Marks in all UG classes has following components:

1. Assignments= 5 Marks
2. Class test= 10 Marks
3. Attendance=5 Marks

The internal Assessment marks are uploaded on the college website and objections are invited. After removal of these objections, the Internal Assessment marks are finalized.
